

Nile Food

ABOUT US

Hand Picked Olives From the Finest Sources

Welcome to Nile Food, a name synonymous with quality and trust in the food industry. We are a leading producer of table olives and all types of pickles, committed to delivering the finest products to our customers.

OUR FACILITY

State Of The Art Processing Facility

In Sadat City, Egypt, our state-of-the-art food processing facility follows strict food safety regulations. We source the finest ingredients to create a diverse range of table olives and pickles with high quality and fantastic taste.

EXPORTING

Transcending Borders

Today, our products transcend borders. We export to Europe, South America, and the Middle East, bringing nature's essence to tables around the world.
